

Orthotist Application

Note: BOC will no longer accept new applications for the BOC Orthotist program after July 31, 2016.

Applicants for the BOC Orthotist or Prosthetist certifications may apply for and take their exams upon completion of a CAAHEP-accredited education program (prior to or during their NCOPE-approved residency). BOC recognizes that the residency is a continuation of your learning and recommends taking exams upon completion of all education. BOC will award final certification only after completion of the residency.
